140. Tarasankar Banerji.—প্রেম ও প্রয়োজন—

[Prem O Prayojan. Love and Necessity. Story of a public spirited youth who incurs the wrath of a profligate and tyrannical zamindar by rescuing from his clutches a girl widow, the intended victim of his lust, with the help of a young lady doctor living with the zamindar as his mistress who also runs away along with the girl. The youth is then falsely charged with abduction of the girl, convicted and is sent to jail for five years. Then the zamindar manages to seduce the girl and after some years deserts her with a small allowance. Meanwhile the youth on release from the jail marries the lady doctor with whom he fell in love previously to his incarceration. There is poetic justice in the story, in that the zamindar is shown as having been stricken with consumption as a result of his profligacy and other sins.] Pages 284. The Bengal and Madras Service Family Pension Fund which is provisionally managed and assisted by Government has for its object the provision of monthly pensions for the maintenance of the widows and children of subscribers and is open, with certain exceptions, to all active and pensioned members of the Uncovenanted service of Government (except those serving under the Government of Bombay), and to Local Fund servants earning pensions from Government. Some of the special features of the fund are (1) that widowed daughters incapable of re-marriage or children labouring under such mental or bodily infirmities as incapacitate them from earning their livelihood or preclude the possibility of marriage (in case of a daughter) are admitted to its benefits; and (2) that subscribers to the Widows' and Daughters' branches are entitled to a refund of 30 per cent. of the premia paid, should the nominee predecease them after five years of admission. The second quinquennial valuation of the Fund has been completed by the Actuary to the Government of India, and his report discloses very favourable results. For forms of application and rules of the Fund apply to the Accountant-General, Bengal, Imperial Secretariat Buildings, Calcutta.

PART VI

Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly, and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 10th February, 1937:—

L. A. BILL No. 9 of 1937.

A Bill further to amend the Workmen's Compensation Act, 1923, for a certain purpose.

WHEREAS it is expedient further to amend the Workmen's Compensation Act, 1923, for the purpose herein-after appearing; It is hereby enacted as follows:—

Short title

1. This Act may be called the Workmen's Compensation (Amendment) Act, 1937.

Amendment of section 35, Act VIII of 1923.

2. (1) Section 35 of the Workmen's Compensation Act, 1923, shall be re-numbered as sub-section (1) of that section and in the said section as so re-numbered—

- (a) for the words "paid to" the words "deposited with" shall be substituted;
- (b) for the words "for the benefit of", where they occur for the first time, the words "which has been awarded to or may be due to" shall be substituted;
- (c) after the word "receipt" the word "distribution" shall be inserted;
- (d) for the word "awarded" the word "deposited" shall be substituted; and
- (e) for the words "and applicable for the benefit of" the words "which has been awarded to or may be due to" shall be substituted.

(2) To the said section as so re-numbered the following proviso shall be added, namely:—

“Provided that no sum deposited under this Act in respect of fatal accidents shall be so transferred without the consent of the employer concerned until the Commissioner receiving the sum has passed orders determining its distribution and apportionment under the provisions of sub-sections (4) and (5) of section 8.”

(3) After the said section as so re-numbered the following sub-section shall be added, namely:—

“(2) Where money deposited with a Commissioner has been so transferred in accordance with the rules made under this section, the provisions elsewhere contained in this Act regarding distribution by the Commissioner of compensation deposited with him shall cease to apply in respect of any such money.”

STATEMENT OF OBJECTS AND REASONS.

Section 35 of the Workmen's Compensation Act, 1923 (VIII of 1923), enables rules to be made for the transfer of sums paid to Commissioners in India as compensation for the benefit of persons abroad or paid to authorities abroad as compensation for persons in India. But it does not provide for the transfer of distribution proceedings when the employer does not object and the dependents are in another country than the one in which the compensation is deposited. The amendment is designed to make this possible, and is required, in the first instance, to provide for transfers between Burma and India after separation. At present, distribution proceedings can be transferred from Burma to provinces in India and *vice versa* under section 21 (2) of the Act; but this will cease to be applicable when Burma becomes a separate country.

F. NOYCE.

NEW DELHI:

The 5th February, 1937.

NOTE.

Section 35 of the Workmen's Compensation Act, 1923, is as follows:—

“35. The Governor General in Council may, by notification in the Gazette of India, make rules for the transfer to any part of His Majesty's Dominions or to any other country of money paid to a Commissioner under this Act for the benefit of any person residing or about to reside in such part or country and for the receipt and administration in British India of any money awarded under the law relating to workmen's compensation in any part of His Majesty's Dominions or in any other country, and applicable for the benefit of any person residing or about to reside in British India.”

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill* was introduced in the Legislative Assembly on the 19th February, 1937:—

L. A. BILL No. 12 OF 1937.

A Bill further to amend the Indian Tea Cess Act, 1903, for a certain purpose.

WHEREAS it is expedient further to amend the Indian Tea Cess Act, 1903, for the purpose of securing that the said Act should cease to be in force in Burma: It is hereby enacted as follows:— IX of 1903.

Short title.

1. This Act may be called the Indian Tea Cess (Amendment) Act, 1937.

Amendment of section 1, Act IX of 1903.

2. To sub-section (2) of section 1 of the Indian Tea Cess Act, 1903, the words "and Burma" shall be added. IX of 1903.

*The Governor General has been pleased to accord the sanction required by section 67 (2) of the Government of India Act.

STATEMENT OF OBJECTS AND REASONS.

The Government of India have had under consideration the question of continuance of the Indian Tea Cess Act, 1903 (IX of 1903), in Burma on the separation of that country from India. It is felt that in view of the small income likely to result from any duty imposed on the comparatively unimportant tea exports from Burma and the fact that Burma is not represented on the Indian Tea Market Expansion Board, which administers the funds accruing from the duty imposed under the Act, continued application of the Act to Burma after separation is not only unnecessary but is likely to lead to considerable friction over the distribution of the Board's efforts as between India and Burma's teas.

It has accordingly been decided, in consultation with the tea industry in India and the Government of Burma, to exclude Burma from the operation of the Act. As under section 148 of the Government of Burma Act, 1935, all laws in force in Burma immediately before separation will continue in force there until altered or repealed or amended, it is necessary that the Indian Tea Cess Act should be amended before April 1, 1937, so as to exclude Burma from its scope.

The present Bill incorporates the amending legislation.

No. 2255J.—18th March 1937.—In exercise of the powers conferred by section 112A of the Presidency-towns Insolvency Act, 1909 (III of 1909), as amended by the Presidency-towns Insolvency (Bengal Amendment) Act, 1936 (Bengal Act XVIII of 1936), and in supersession of all existing rules on the subject, the Governor in Council is pleased to make the following rules for the proper performance of the administrative functions of the Official Assignee of Calcutta:—

1. The Official Assignee shall maintain a personal deposit account with the Reserve Bank of India entitled "The Account of the Official Assignee of Calcutta," and shall pass all moneys received by him in the administration of debtors' estates to the credit of the said account on the day of receipt, if possible, and in any case not later than on the morning of the next following day on which Bank is open.

2. The Official Assignee shall deposit with the Reserve Bank of India all securities or investments received by him in the administration of debtors' estates.

3. All moneys received by the Official Assignee in the administration of debtors' estates and in his hands or under his control at the date of the commencement of the Presidency-towns Insolvency (Bengal Amendment) Act, 1936, shall be deposited by the Official Assignee in the Reserve Bank of India to the credit of his personal deposit account on such date as the Local Government may fix.

4. All securities or investments received by the Official Assignee in the administration of debtors' estates and in his hands or under his control at the date of the commencement of the Presidency-towns Insolvency (Bengal Amendment) Act, 1936, shall be deposited by the Official Assignee in the Reserve Bank of India on such date as the Local Government may fix.

5. All moneys, securities or investments in the hands or under the control of the Official Assignee at the date of the commencement of the Presidency-towns Insolvency (Bengal Amendment) Act, 1936, representing the proceeds of investments of the assets of insolvent estates made prior to the date of the commencement of the said Act, shall, on such date as the Local Government may fix, be transferred by the Official Assignee to the Reserve Bank of India for credit to Provincial Revenues. Details of moneys, securities or investments so credited shall be furnished by the Official Assignee to the Local Government.

6. The Official Assignee shall ensure that the cash balance in his personal deposit account does not fall below a sum of Rs. 1½ lakhs.

7. When in the opinion of the Official Assignee the cash balance standing to the credit of his personal deposit account is in excess of the amount required for the time being to meet demands in respect of insolvent estates, or to make any payments prescribed by the Presidency-towns Insolvency Act, 1909, or by the rules framed thereunder, he shall request the Reserve Bank of India to invest such excess in the purchase of Government promissory notes, bonds or treasury bills in his name. Such notes, bonds or bills shall be kept in safe custody by the Bank.

Provided that moneys received by the Official Assignee as interim receiver or as trustee under a composition scheme shall not be invested.

8. The interests, dividends and proceeds of the investments referred to in the preceding rule shall be collected by the Reserve Bank of India, which shall, at the end of every half year, credit the same to the "Account of the Official Assignee of Calcutta," and shall intimate to the Official Assignee the details and total of the sum credited; and the Official Assignee shall forthwith withdraw from his personal deposit account and credit to Provincial Revenues all such interests, dividends and proceeds of investments.

Provided that the interests, dividends and proceeds of investments on account of insolvent estates, the assets of which have been directed by a Committee of Inspection to be invested pending further realisation and pending the declaration of dividends, shall stand credited to the accounts of those estates, and shall not be transferred to Provincial Revenues.

9. When in the opinion of the Official Assignee, the cash balance standing to the credit of his personal deposit account is insufficient to meet the requirements of insolvent estates, or to make any payments prescribed by the Presidency-towns Insolvency Act, 1909, he shall, in consultation with the Reserve Bank of India, arrange to realise such an amount of the securities or investments deposited with the Reserve Bank as may, in his opinion, be sufficient to provide the funds required.

10. The Official Assignee shall half-yearly submit to the Local Government for necessary action a statement of all securities or investments realised under the provisions of the preceding rule, showing details of the realised profit or actual loss resulting from such transactions.

11. For the purpose of meeting the costs and liabilities referred to in sections 82A and 82B of the Presidency-towns Insolvency Act, 1909, the Official Assignee shall, in the first instance, utilise the funds available in his personal deposit account, and shall thereafter apply to the Local Government, for recoupment in respect of such expenditure to the extent of the Local Government's liability as prescribed by sections 82A and 82B.

12. Subject to the rule next following the Official Assignee shall withdraw from his personal deposit account and shall pay into the Reserve Bank of India for credit to Provincial Revenues all sums realised under the provisions of section 82C of the Presidency-towns Insolvency Act, 1909.

13. The Official Assignee shall charge a percentage at the rate of 5 per cent. on the value of the realised assets of each insolvent estate, and a percentage at the rate of 1 per cent. on the value of assets taken charge of or realised by him as interim receiver. All fees, percentages, commissions and remunerations leviable by the Official Assignee under the said Act and these rules shall constitute a first charge upon the assets of every insolvent estate, and the Official Assignee shall every

half year transfer such amounts from his personal deposit account to the credit of Provincial Revenues.

Provided that in no case shall a total percentage of more than 5 per cent. be charged upon any assets of any insolvent estate.

Explanation.—For the purposes of this rule, the amount to be paid in pursuance of a composition or scheme of arrangement, and also any amount realised under the Second Schedule to the Act, shall be deemed to be assets collected by the Official Assignee.

14. The Official Assignee shall maintain registers showing the dates of lapse under section 122 of the Presidency-towns Insolvency Act, 1909, of all dividends unclaimed for 15 years or for such less period as may be prescribed; and shall at the end of every half year, unless the Court otherwise directs, credit to Provincial Revenues all such lapsed unclaimed dividends, and shall furnish to the Accountant-General, Bengal, a detailed list of such credits.

15. For the purpose of paying dividends to creditors, or of making any other payments prescribed by the Presidency-towns Insolvency Act, 1909, or the rules framed thereunder, the Official Assignee shall issue cheques drawn upon his personal deposit account in respect of all amounts in excess of Rs. 50.

16. The Official Assignee shall, in the manner to be prescribed by the Local Government, keep accounts of the property, debts and credits of every insolvent, and of all moneys received and payments made by him. Scheduled creditors shall be at liberty to inspect the accounts of insolvent estates at all reasonable times.

17. The Official Assignee shall, at the end of every six months, submit to the Local Government a statement of accounts of each estate not then wound up and fully distributed. This statement shall show the total receipts, the total disbursements (distinguishing dividends from other payments), the balance in hand, and the manner in which any portion of this balance is invested.

18. The accounts of the Official Assignee, and also the statement of accounts referred to in the preceding rule, shall be audited half-yearly, up to the 31st day of January and the 31st day of July, by such auditors, at such time and place, and in such manner as the Local Government shall direct; and a report of each audit shall be furnished to the Official Assignee and to the Local Government.

19. On completion of each audit, the audited statement of accounts referred to in rule 17 shall be signed by the auditor and by the Official Assignee, and shall be published forthwith in the *Calcutta Gazette*.

20. The Official Assignee shall on appointment enter into a bond with sufficient sureties to the Local Government in the sum of Rs. 1,00,000 conditioned for the clear execution of his office.

The test will be for half an hour, and the paper will be marked on the basis of a penalty of five words for every mistake, which comprises mis-spelling, wrong spacing, wrong paragraphing, one letter typed over another, etc. The manuscript will be such as is used in ordinary Government correspondence, and the maximum percentage of errors permissible shall not be more than 5 per cent.; and

(iv) his age is less than 25 years on the 1st August of the year in which the examination is advertised to be held: provided that if he is already a temporary typist in the Secretariat, he shall be eligible if his age on that date does not exceed 25 years by more than the length of his temporary service.

(c) All vacancies for typists, permanent or temporary, shall be reported to the Finance Department as they occur.

(d) Permanent posts of typists shall, subject to the provisions of section 56D, be filled by the appointment, in order of merit, of candidates who have passed the recruitment examination. Temporary posts shall be filled by the appointment of candidates who have passed the recruitment examination but are not sufficiently high in order of merit to obtain permanent posts.

(e) A fresh examination shall not ordinarily be held until the list of candidates who have passed the previous recruitment examination is exhausted, or until three years have elapsed since the previous examination, whichever is earlier. The Finance Department may, however, if it considers it expedient to do so, decide that a fresh examination shall be held at any earlier date.

56A. The recruitment of stenographers is regulated by the following instructions:—

(a) An examination will be held from time to time for the purpose of preparing a list of candidates eligible for appointment as stenographers.

(b) In the case of a person not in the permanent service of Government, the qualifications for admission to the examination shall be as follows:—

(i) He must have passed at least the Matriculation Examination of an Indian University, the High Madrasah Examination or the High School Examination of the Board of Intermediate and Secondary Education, Dacca, the School Final Examination (Science Side) or the Government Commercial Course Final Examination, or have obtained the Indian Army Special Certificate of Education, or if a European or Anglo-Indian not so qualified, have obtained at least the Elementary School Certificate and taken the Supplementary Commercial Course prescribed by the European Schools Code.

(ii) He must be able to produce evidence that he possesses a good knowledge of English.

(iii) He must be able to produce a certificate from the Government Commercial Institute or an Institution affiliated thereto, that he has attained a shorthand speed of at least 120 words to the minute and can transcribe accurately on the typewriter at not less than 40 words to the minute.

(iv) He must be less than 25 years of age on the 1st August of the year in which the examination is advertised to be held.

Evidence that the candidate possesses the above qualifications must accompany the application. As evidence of age, candidates must produce a Matriculation Certificate, or failing this, equally satisfactory documentary proof. All certificates must be sent in original. The candidate must also pay into the treasury nearest his place of residence, a sum of Rs. 10 by way of examination fee, and must forward the treasury receipt with his application. Under no circumstances will this sum be refunded.

(c) A person already in the permanent service of the Local Government will be allowed to sit for the examination provided he applies for permission through the Head of his Office and provided the Head of his Office certifies that in his opinion, the candidate has, by attending evening classes or otherwise, fitted himself for a post of stenographer. In the case of such a person there will be no age-limit and no examination fee will be required.

(d) On the results of the examination a list shall be prepared showing, in order of merit, those candidates who are deemed to have proved themselves fit for appointment as stenographers in the Secretariat.

(e) Officiating or temporary vacancies in posts of stenographers in the Secretariat will be filled, as they occur, by the appointment of candidates from this list. Employment will be offered to candidates strictly in the order of merit in which they appear in the list: provided—

(i) that every alternate vacancy shall, so long as any typist in the permanent employment of Government appear in the list, be filled by one of them;

(ii) that one in every two of the vacancies not filled by typists shall go to a Muhammadan so long as any such appear in the list. This rule, however, should not be interpreted to exclude from any vacancy a permanent typist or a Muhammadan who stands highest among those candidates on the list who have not been given appointments. Government may, at their discretion, reject any candidate whom they consider unsuitable for service under Government.

(f) A fresh examination will ordinarily not be held until the list of candidates of the previous examination prepared under clause (c) has been exhausted or until three years have elapsed since the date of the previous examination, whichever is earlier. The Finance Department may, however, if it considers it expedient to do so, decide that a fresh examination should be held at any earlier date.

56B. (1) The Legislative Council Department will hold an annual proficiency examination, which must be attended by all permanent or acting Council Reporters and all permanent stenographers in the Secretariat and may be attended by all persons who have been employed during the year in officiating or temporary vacancies in posts of stenographers in the Secretariat.

(2) This annual examination will be organised in two parts, namely:—

(i) Dictation at a minimum rate of 140 words per minute.

(ii) Dictation at a minimum rate of 120 words per minute.

Each test will comprise two periods of dictation each of seven minutes' duration, followed by one hour's transcription of notes, and separated by an interval of at least half an hour for rest. One period will consist of dictation at approximately the minimum speed, the other of dictation at speeds varying from the minimum to a pre-determined maximum. The two tests will ordinarily be held on separate days.

(3) This annual proficiency examination will be utilised for determining whether Council Reporters and stenographers have attained or maintained the various standards of efficiency prescribed in sections 52 and 54. All Council Reporters, those stenographers wishing to establish the attainment of the standard required for appointment as Council Reporters and stenographers in Class A of the old or who have passed the efficiency bar after the 16th stage in the revised scale, must appear at test (i). All other persons who are required or permitted to present themselves for the examination must enter for test (ii) and may enter for test (i).

(4) This examination will also be utilised for selecting stenographers to be appointed in a permanent or acting capacity in posts of Council Reporters or to be promoted in a permanent or acting capacity from a post of Junior Council Reporter to one of Senior Council Reporter in the old scale. Such permanent or acting appointments and promotions will be given to those Council Reporters or stenographers who have attained at the annual examinations the standards of proficiency prescribed in section 54. As among those who prove the attainment of the standards, appointments will be given in strict order of merit as decided at the annual examinations but in arriving at such order of merit, the average results in the examinations of the preceding three years should be taken into account.

56C. Permanent vacancies in posts of stenographers in the Secretariat shall be filled by the appointment of persons who have been passed as eligible for appointment as stenographers at the recruitment examination prescribed in section 56A and have been employed in officiating or temporary vacancies in posts of stenographers in the Secretariat. Appointments will be made in strict order of merit as decided at the annual proficiency examinations prescribed in section 56B, the average results in the examinations of the preceding three years being taken into account: provided that

(i) every alternate vacancy shall be given to a permanent typist, and

(ii) one in every two of the vacancies not filled by permanent typists shall be given to a Muhammadan,

so long as there are any permanent typist or Muhammadans who have passed the recruitment examination prescribed in section 56A, acting as temporary stenographers. As between two or more persons, the appointment will be given to the persons standing highest according to the results of the annual proficiency examinations, taking the average results in the examinations of the preceding three years into account. This rule should not be interpreted to exclude from any permanent vacancy in a post of stenographer, a permanent typist or a Muhammadan who, taking the average results in the proficiency examinations of the preceding three years into account stands first of the temporary stenographers not already provided with permanent posts.

If there is no temporary stenographer available, the first available person in order of merit, subject to the provisions of rule 56A(e), in the list of candidates passed as eligible for appointment as stenographers at the last recruitment examination, may be appointed permanently to a vacant post of stenographer.

56D. (i) Every third appointment of typist in each office shall ordinarily be given to a Muhammadan who has passed the recruitment examination prescribed in section 56.

(ii) Until the proportion of Muhammadan typists in the various offices reaches one-third, the claims of qualified Muhammadan candidates shall be considered in filling up all vacancies.

(iii) The claims of members of the minority communities and backward classes who have passed the recruitment examination prescribed in section 56, shall also be considered in filling vacancies in posts of typists'.

The Bengal and Madras Service Family Pension Fund which is provisionally managed and assisted by Government has for its object the provision of monthly pensions for the maintenance of the widows and children of subscribers and is open, with certain exceptions, to all active and pensioned members of the Uncovenanted service of Government (except those serving under the Government of Bombay), and to Local Fund servants earning pensions from Government. Some of the special features of the fund are (1) that widowed daughters incapable of re-marriage or children labouring under such mental or bodily infirmities as incapacitate them from earning their livelihood or preclude the possibility of marriage (in case of a daughter) are admitted to its benefits; and (2) that subscribers to the Widows' and Daughters' branches are entitled to a refund of 30 per cent. of the premia paid, should the nominee predecease them after five years of admission. The second quinquennial valuation of the Fund has been completed by the Actuary to the Government of India, and his report discloses very favourable results. PART VI

Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly, and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill* was introduced in the Legislative Assembly on the 1st February, 1937:—

L. A. BILL No. 6 OF 1937.

A Bill further to amend the Indian Income-tax Act, 1922, for certain purposes.

WHEREAS it is expedient further to amend the Indian Income-tax Act, 1922, for the purposes hereinafter appearing; It is hereby enacted as follows:—

Short title.

1. This Act may be called the Indian Income-tax (Amendment) Act, 1937.

Amendment of section 16, Act XI of 1922.

2. To section 16 of the Indian Income-tax Act, 1922 (hereinafter referred to as the said Act), the following sub-section shall be added, namely:—

“(3) In computing the total income of any individual for the purpose of assessment, there shall be included—

- (a) so much of the income of a wife or minor child of such individual as arises—
 - (i) from the membership of the wife in a firm of which her husband is a partner;
 - (ii) from the admission of the minor to the benefits of partnership in a firm of which such individual is a partner;

*The Governor General has been pleased to accord the sanction required by section 67 (2) of the Government of India Act.

(iii) from assets transferred directly or indirectly to the wife by the husband otherwise than for adequate consideration or in connection with an agreement to live apart; or

(iv) from assets transferred directly or indirectly to the minor child, not being a married daughter, by such individual:

and

(b) so much of the income of any association of individuals consisting of such individual and his wife as arises from assets transferred to the association by such individual."

Amendment
of section 18,
Act XI of
1922.

3. To sub-section (5) of section 18 of the said Act the following proviso shall be added, namely:—

"Provided further that where such person or owner is a person whose income is included under the provisions of sub-section (3) of section 16 in the total income of another person that person shall be deemed to be the person or owner on whose behalf payment has been made and to whom credit shall be given in the assessment for the following year."

Amendment
of section 48,
Act XI of
1922.

4. After sub-section (3) of section 48 of the said Act the following sub-section shall be inserted, namely:—

"(3A) Where the shareholder referred to in sub-section (1), or the member of a registered firm or the minor admitted to the benefits of partnership referred to in sub-section (2), or the owner of a security referred to in sub-section (3) is a person whose income is included under the provisions of sub-section (3) of section 16 in the total income of another person, the provisions of sub-sections (1), (2) and (3) shall apply as if that person were himself the person entitled to a refund under those sub-sections."

Operation of
section 2.

5. The amendment made in the said Act by section 2 shall not have effect in respect of any income chargeable to income-tax for any year ending before the 1st day of April, 1937.

STATEMENT OF OBJECTS AND REASONS.

Reference is made in sections 1 and 4 of Chapter III of the Income Tax Enquiry Report, 1936, to the practices of avoiding taxation by means of nominal partnerships between husband and wife or parent and minor child or by the nominal transfer of assets to a wife or minor child (or to an "association" consisting of husband and wife) when there is no substantial separation of the interests of the assessee and the wife or child. These practices are reported to have become very widespread already, with considerable detriment to the revenue, and there is little doubt that if they are not checked there will be progressive deterioration. The proposals in the Report regarding the aggregation of the incomes of husband and wife go beyond the immediate necessities of the case and to that extent their adoption would involve the admission of a new principle which the Government of India do not desire to establish in advance of the general public discussion of the Report which has been arranged; and the present Bill has been so drafted as to deal only with the abuses to which I have referred.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill* was introduced in the Legislative Assembly on the 8th February, 1937:—

L. A. BILL No. 7 OF 1937.

A Bill further to amend the Indian Naval Armament Act, 1923, for a certain purpose.

WHEREAS it is expedient further to amend the Indian Naval Armament Act, 1923, for the purpose of giving effect in British India to the Treaty for the Limitation of Naval Armament and for the Exchange of Information concerning Naval Construction signed in London on behalf of His Majesty on the twenty-fifth day of March, 1936; It is hereby enacted as follows:—

Short title.

1. This Act may be called the Indian Naval Armament (Amendment) Act, 1937.

Amendment of preamble to Act VII of 1923.

2. In the preamble to the Indian Naval Armament Act, 1923 (hereinafter referred to as the said Act), for the words beginning "Treaty for the Limitation of Naval Armament signed at Washington" and ending "signed at London on behalf of His Majesty on the twenty-second day of April, 1930" the following shall be substituted, namely:—

"Treaty for the Limitation of Naval Armament and for the Exchange of Information concerning Naval Construction signed in London on behalf of His Majesty on the twenty-fifth day of March, 1936".

Amendment of section 2, Act VII of 1923.

3. In section 2 of the said Act, for clause (c) the following clause shall be substituted, namely:—

"(c) 'the Treaty' means the Treaty for the Limitation of Naval Armament and for the Exchange of Information concerning Naval Construction signed in London on behalf of His Majesty on the twenty-fifth day of March, 1936."

Amendment of section 4, Act VII of 1923.

4. To section 4 of the said Act the following sub-section shall be added, namely:—

"(3) Any person who, in pursuance of a licence granted under sub-section (1) before the commencement of the Indian Naval Armament (Amendment) Act, 1937, is engaged in building any vessel of war or in altering, arming or equipping any ship so as to adapt her for use as a vessel of war, or is about to despatch or deliver, or allow to be despatched or delivered, from any place within British India any ship which has been so built, altered, armed or equipped, either entirely or partly, within British India, shall, upon written demand, furnish to the Local Government such designs and particulars as may be required by the Local Government for the purpose of securing the observance of the obligations imposed by the Treaty."

Amendment of section 5, Act VII of 1923.

5. In sub-section (1) of section 5 of the said Act, after the word and figure "section 3" the following shall be inserted, namely:—

"or fails to comply with the provisions of sub-section (3) of section 4".

Omission of the Schedule to Act VII of 1923.

6. The Schedule to the said Act shall be omitted.

*The Governor General has been pleased to accord the sanction required by section 87 (2) of the Government of India Act.

STATEMENT OF OBJECTS AND REASONS.

The Indian Naval Armament Act, 1923 (VII of 1923), as amended by Act VIII of 1931, was passed by the Indian Legislature to give effect in British India to the Treaties for the Limitation of Naval Armaments signed on behalf of His Majesty in 1922 and 1930. These Treaties—except for Part IV of the latter—expired on the 31st December 1936, and Act VII of 1923 will consequently cease to have effect unless it is so amended as to substitute reference to the Treaty signed on behalf of the British Commonwealth of Nations and certain other Powers on the 25th March 1936, for the references to the Treaties of 1922 and 1930. The chief characteristics of the Treaty which came into force on the 1st January 1937, and which will remain operative until the 31st December 1942, are limitation in the tonnage of ships and in the calibre of guns and certain new provisions regarding the exchange of information concerning naval construction between the High Contracting Parties. It also keeps alive the principle which has prevailed for the last fifteen years that the naval armaments of the principal Maritime Powers are to be restricted by agreement and makes it possible for the reduction of naval armaments to be further extended when international conditions are more settled than they were when the Treaty was contracted.

The Government of India have agreed to ratify the new Treaty of 1936 and, to give effect to it, they propose to amend the Indian Naval Armament Act (VII of 1923) on the lines of the amendment recently made in the corresponding English Act.
